

Transforming Healthcare together!

Stipends Available!

As an Area Health Education Center Scholar, you will be a leader in your field!

If you're looking to graduate from your health professions program with distinction, consider applying to become an AHEC Scholar. While in their program of study, AHEC Scholars gain additional knowledge in key areas via didactic and experiential education.

Core Topics

- Interprofessional Education
- Behavioral Health Integration
- Social Determinants of Health
- Cultural Competency
- Practice Transformation
- Current and Emerging Health Issues

Requirements

- Must be a health profession student
- 40 hours per year of community-based experiential (i.e., clinical) training.
- 40 hours per year of didactic training (partially from participation in the Primary Care Area Health Education Center TeleECHO (PC AHEC TeleECHO) clinics.)

Benefits

- Enhance healthcare knowledge in clinical and community settings
- Positively impact underserved communities
- Engage with interdisciplinary teams
- Gain career development skills
- Resume building opportunities
- Networking with like-minded healthcare providers
- Educational Support Stipends available!!

Apply no later than January 22nd, 2024!
